When school began way back last fall  
Students were noisy and ran in the hall

The teachers were strict but let us go play  
We had great fun on Tavlingar Day

One day we dressed like cookies and kings  
We donned pointed hats and wore funny things

Christmas came not a moment too soon  
To our spirits the vacation of rest was a boon

Then back at school, semester tests came  
And we sloshed back home through puddles of rain

In math and in spelling, we practiced our skills  
Then applauded our entrants in city-wide drills

The teachers, they tried, to give us some help  
And many a student left Durst's with a yelp

The year passed so quickly and all that remains  
Are the memories, faces, and hard-won gains

Good Luck
