A winning sculpture

METAL SCULPTURES by a teacher and his three students from Lynnwood High School have won nine awards at a state industrial arts conference. Teacher Bob Carlson and students Dale Dahlberg, Jeff Foote and Cody Sims won their awards March 17-18 in Vancouver, Wash. at the 28th annual Washington Industrial Arts Conference. Carlson took an exemplary first, a second and a third for his bell buoy wall hanging fashioned from recycled auto sheet metal. The exemplary designation refers to craftsmanship. Dahlberg received a first and two seconds, while Foote took a second and a third and Sims got a second. Dahlberg's drag boat, trailer and custom truck combination notched the blue ribbon. Seniors (from left) Dale Dahlberg, Jeff Foote and Cody Sims are shown with the sculpture.

Commencement speakers set at Lynnwood High

Commencement speakers for the 1978 graduating class of Lynnwood Senior High School have been announced by Jerry Karnolski, principal.

The speakers named are: Nancy Hays, daughter of Mr. and Mrs. Richard Hays; Anne Loftin, daughter of Mrs.

Rosalind Loftin and Jeff Seely, son of Mr. and Mrs. D. Paul Seely.

Three speakers are chosen at Lynnwood by the selection made by the faculty, senior class, and National Honor Society. The student speakers will select the theme for this year's graduation exercise. Ralph Wiginton, English teacher, acts as advisor to the students in their speech preparations.

Lynnwood's commencement exercise will be held Tuesday, June 20, beginning at 8 p.m. in the Cascade gymnasium in Everett.
