S. Hanby

This Memory Book is dedicated to Mrs. Sharon Hanby, a PE and Health teacher at Alderwood Junior High School.

S. Hanby

She is really nice, easy to get along with and is very understanding. This makes her easy to talk to and so she is liked by most everyone. Over the years she has spent many extra hours helping students, especially working for a girls' sports program before it became the popular thing to do.

She has an excellent sense of humor except when it comes to having her picture taken which is evident on this page.

Thanks for everything, Mrs. Hanby.

S. Hanby

Keep it "together" and work
a little harder in High School!
