ROTHNIE — RE 1975 DISTRICT 15 SPORTS

Not too many weeks prior to the opening of the school year, I was not sure just how much of our athletic program would be retained. Fortunately the state legislature did finally take action to provide the additional funding for school districts which, among other things, enabled Edmonds to restore most of the athletic program. So I can safely say that I am looking forward to this year with thankful anticipation.

Until you are about to lose something worthwhile, you often don't fully appreciate what you have and I think this was true in regards to our athletic program. We have a fairly broad and varied program for the boys and girls of

this school district which has taken years to build and it was depressing for anyone involved in or supportive of the program to consider the drastic reductions that came so close to happening. Hopefully we will not have to go through that experience again. There have been reductions but not anywhere near as serious as the ones originally contemplated.

When talking about the extent of the athletic program, did you know that each high school will participate in 16 sports with 28 teams and each junior high school will be in 8 sports and have 15 teams? That totals 240 teams actively competing in a full program and with a full schedule. If you want

Jim Rothnie

to estimate the number of games and meets we will have this year, you should be in the neighborhood of 2500 to be close. Our athletic program is broad

and varied and does give students opportunity to be involved in wholesome, worthwhile and challenging activities.

Despite the shakey ground on which this school year is starting, this should be a great year for athletics. Of course, I feel that way each year. For Bob Plaisance this will be a memorable one as he will make his debut as the head football coach at Woodway High School, replacing Bill Peterson, who has retired from coaching. To Bob and all of the other coaches and teams, I want to wish them a successful and profitable year. And to you fans, I want to thank you for your support and interest in the district programs.

WESCO HAS NEW LOOK FOR '75

The WESCO Conference will experience new changes in playoff rules and in the size of the league this year.

This year Seattle Prep along with Blanchett, have moved over to Seattle's Metro League, leaving WESCO with nine teams. Since the reduction of teams, the playoff format for the state tournament has been changed. The team with the best, win-loss percentage will automatically be the WESCO football champ. This team will then face the Northwest AAA District champions at either Everett Memorial Stadium or in Bellingham (location not determined at date of press). Winner will then go to the State tournament.

Who's Harry Cardwell?

He's a carpenter whose successes have created an opportunity for expansion. Growth will bring Harry new risks and liabilities... a situation that required experienced insurance advice. So he called on his silent partner... LaBow, Haynes... one of the largest insurance brokers in the Northwest. Labow, Haynes gave Harry personal attention and professional advice. They analyzed his present insurance policy and showed him where extra protection was needed. Their experienced specialists selected new coverages that gave him expanded protection tailored to his growing needs.

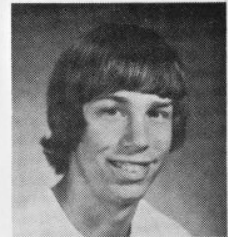

Call LaBow, Haynes, 223-1400. Consider them your silent partner, providing insurance with emphasis... emphasis on you.

**IT'S ALL IN A
STATE OF MIND**

If you think you are
beaten, you are;
If you think you dare
not, you won't;
If you like to win,
but don't think you can,
It's almost a cinch
you won't.

If you think you'll
lose, you're lost;
For out in the world
you'll find
Success begins with a
fellow's will;
It's all in a state
of mind.

For many a game is
lost
Ere even a play is
run,
And many a coward
fails
Ere even his work
is begun.

Think big and your
deeds will grow,
Think small and you'll
fall behind;
Think that you **can** and
you **will**)
It's all in a state
of mind.

If you think you are
outclassed, you are:
You've got to think
high to rise;
You've got to be sure
of yourself before
You can ever win a prize.

Life's battles don't
always go
To the stronger or
faster man,
But sooner or later,
the man who wins
Is the fellow who
thinks he can.

EDMONDS DISTRICT 15 HEAD COACHES

COACH, LUCKY KLOPP — Edmonds High School. Lucky starts his second season as head coach of the Tigers. Lucky attended Lewis & Clark high school in Spokane where he earned all-city honors. He finished his degree at the University of Washington after two years at Washington State University. Lucky also is head track coach for the Tigers and teaches history.

COACH, BOB PLAISANCE — Woodway High School. Bob is the "youngest" of the Edmonds District coaches beginning his first year as head man of the Warriors. Bob had served as assistant football coach and head track coach at Mountlake Terrace High School for the last 10 years. Bob attended Eastern Washington State College. He will also serve as track coach and history teacher for Woodway.

COACH, KIM WILSON — Lynnwood High School. Kim begins his sixth year as head coach of Lynnwood after serving as assistant coach at both Mountlake Terrace and Woodway high schools. Kim attended Ferndale High School, lettering in football, basketball and baseball; and Western Washington State College where he earned all-conference laurels as a pitcher. He teaches math and coaches baseball.

COACH, GORDON BUSLACH — Mountlake Terrace High School. Gordy will be starting his 11th season as coach of the Hawks. He came to Mountlake Terrace after high school coaching assignments in Oregon and Washington. He attended Evergreen High in Vancouver, Washington, graduated from Linfield College, where he played football. Coach Buslach is assistant track coach and teaches U.S. History.

COACH, RON BATES — Meadowdale High School. Ron attended Franklin High School in Seattle. He earned All-City honors in both football and baseball. A graduate of Whitworth and an all Evergreen Conference selection, Ron is now in his 19th year of coaching. He teaches physical education.

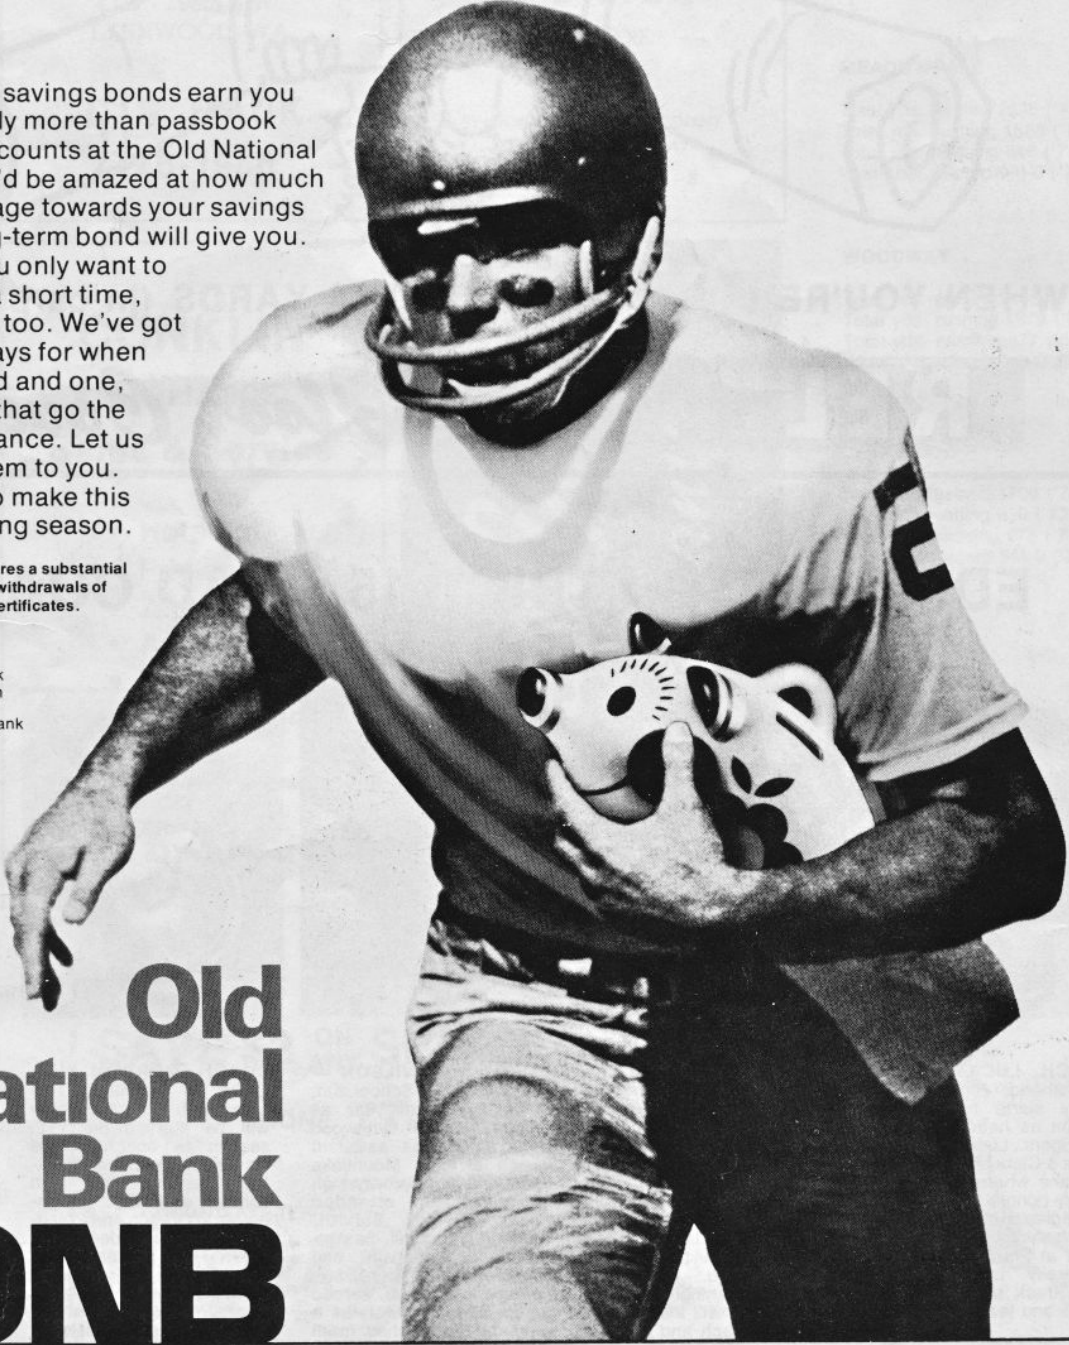

Go for the extra points.

Long-term savings bonds earn you significantly more than passbook savings accounts at the Old National Bank. You'd be amazed at how much extra yardage towards your savings goal a long-term bond will give you.

But if you only want to invest for a short time, that's fine, too. We've got savings plays for when you're third and one, and plans that go the whole distance. Let us explain them to you. We want to make this your winning season.

Federal law requires a substantial penalty for early withdrawals of non-negotiable certificates.
