## Autumn action — 1977

A year ago the Western Conference welcomed Marysville-Pilchuck as the tenth member and this year we are happy to have Oak Harbor join the League. The Wildcats from Whidbey Island, a long time member of the Northwest AA-AAA League, will raise the Conference membership to eleven schools. For sports, where it is appropriate, the League will go back to the divisional format used in previous years. Football, basketball, baseball and boys tennis will have divisional schedules this year. The schools in each division will be:

Eastern

Everett Lynnwood Meadowdale Mountlake Terrace Oak Harbor Snohomish Western

Cascade Edmonds Mariner

Marysville-Pilchuck

Woodway

Although schools will play 8-9 football games with Conference schools, only the divisional games will count in the standings. The winner of each division will then meet for the Conference championship on November 11 with the winner advancing into the guarter finals of the state playoffs.

The 1977 football season will mark the debut of two new head coaches and the return of a veteran head coach. Monty Montgomery, after serving as an assistant at Woodway for a number of years, has been elevated to the head man for the Warriors, while the Edmonds Tigers will be under the leadership of Skip Kays, a long time assistant coach at Meadowdale. Three seasons ago Bill Peterson decided to retire from the head coaching job at Woodway. Fortunately, he reconsidered and will now take over the reins of the Lynnwood Royals. So it should be an interesting year watching three new staffs begin to establish their system of play and test it in competition.

With the later starting date for school some adjustments in our athletic program were necessary, such as the delay in the start of fall sports. This year our opening football games are a week later than usual with the last regular season games being played as a doubleheader on Thursday, November 10. Note this date on your calendar as you will have an opportunity to see two varsity games for the price of one.

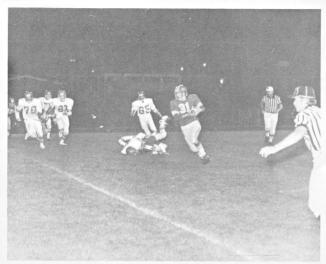

The fall sports season is a busy time with high school teams in cross country, girls volleyball, girls tennis, girls swimming in addition to football. Unfortunately, we will have only a varsity program for the second, and we hope, the last year. The sad thing is that the program has reduced the opportunity for students to participate in school athletics which is a valuable part of their school experience.

A few of the highlights this fall will be the Edmonds Invitational Cross Country Meet to be held here on Saturday, September 24; the Edmonds District Cross Country Championships on Thursday, October 20; the Edmonds District Girls Swim Championship Meet on Tuesday, November 1; and the Northwest District Girls AAA Volleyball Tournament, which we will host on November 8, 9, and 10.

High school athletics provides the fan with some of the most exciting sports action around and we hope you will have the opportunity to attend many of the contests our teams will participate in this year. Your attendance and support is much appreciated by the athletes and their coaches.

I also encourage all you to join me in wishing our athletes and their coaches the best for a successful year.

Jim Rothnie

Kick-off of Autumn Football Action: #31 Paul McDonagh, Mountlake Terrace "Hawks", returns the opening kickoff against the visiting "Tomahawks" from Marysville.
