"every life has a story"

March 9, 1960 - July 24, 2018
Carrie Anne Woeck of Brier, WA was born on March 9, 1960 to Marilee and George Davis. After fighting a courageous battle with Myelofibrosis, she passed away on July 24, 2018, surrounded by her loving family. A graduate of Lynnwood High School, Carrie

met the love of her life, Mike Woeck at the Mill Creek Café in 1988. Mike was immediately attracted to Carrie, who then won his heart forever with her selflessness and love of life. An avid photographer, artist, and adoring wife and mother, Carrie touched those around her with her thoughtfulness and her many acts of kindness. Carrie and Mike were blessed with the birth of their son, Andrew in 1992. Andrew's eventual success in baseball and soccer was a tremendous source of pride, not to mention cross-country drives. Carrie also enjoyed watching Shannon and her husband, Tom; mother, Marilee and her husband, Gene; sister, Dawn; and George Davis and his wife, Deedee; brother, Rich; sisters, Laura and Cheryl; and her many grandchildren, Braeden, Noah, Jacob, Reece, and Skyler. Carrie is also survived by her ever loyal companion, Waggy. Carrie touched so many lives in so many ways. She respectfully requests, in lieu of flowers, donations be made in her honor to the MPN Research Foundation. While Carrie may be gone in physical presence, she will forever be with us in our memories, and in our hearts.
